INCEPTION

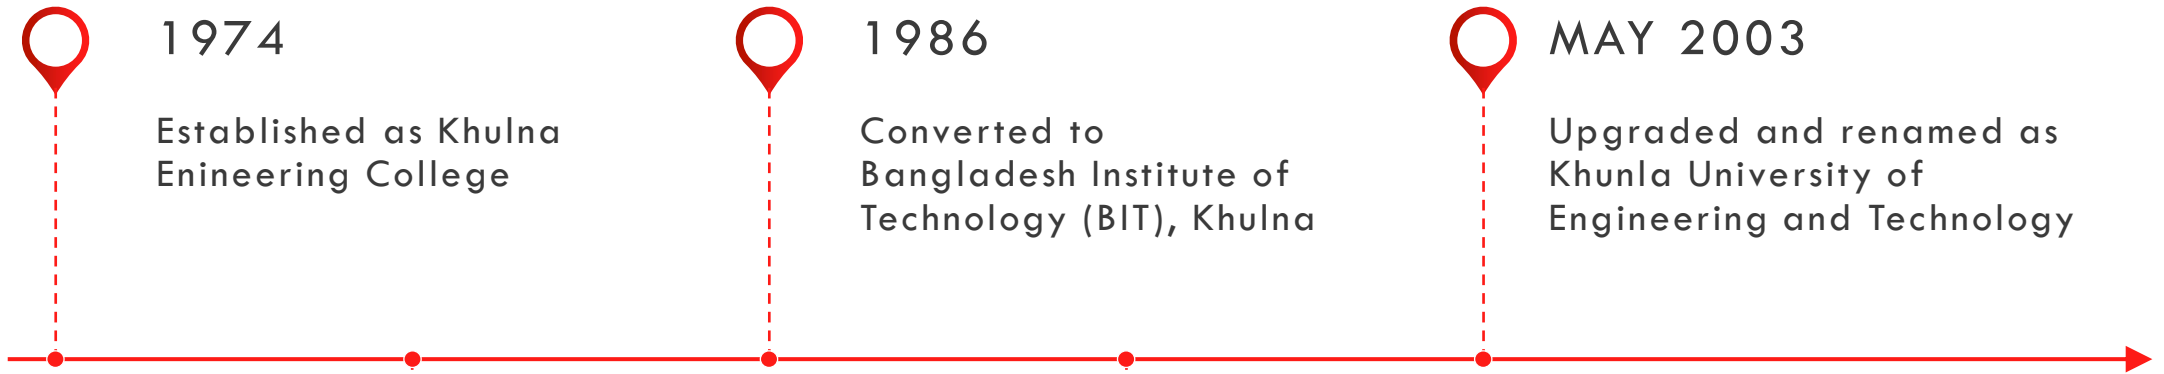

- Khunla University of Engineering and Technology is a prominent institution of Bangladesh dedicated to higher study on engineering and technology.
- Established in 2003
- Situated in southern city Khunla

An aerial photograph of the Khulna University of Engineering and Technology (KUET) campus. In the center is a large, light-colored statue of a seated figure, possibly a deity or historical figure, surrounded by a circular path with a red and white checkered pattern. The path radiates outwards in four directions. The campus is lush with green lawns, palm trees, and other tropical vegetation. Several multi-story academic buildings are visible in the background and to the sides. The sky is a clear blue with some wispy clouds. A large, semi-transparent red rectangle is superimposed over the center of the image, containing the title text in white.

Faculty of Civil Engineering

This faculty has 8 departments

1. CE
2. URP
3. BECM
4. Architecture
5. Physics
6. Chemistry
7. Math
8. Humanities

2

Faculty of Electrical and Electronic Engineering

This faculty has 5 departments

1. EEE
2. CSE
3. ECE
4. BME
5. MSE

3

Faculty of Mechanical Engineering

This faculty has 7 departments

1. ME
2. IEM
3. ESE
4. LE
5. TE
6. ChE
7. MTE

There are 20 Departments

1

Civil Engineering
Both UG and PG

2

Urban and Regional
Planning
Both UG and PG

3

Building Engineering and
Construction Management
